2026

THURSDAY 2ND JULY

What are the ML Awards?

Now firmly established on the legal calendar, the Manchester Legal Awards recognise and reward the wide range of skills and talent of the brightest legal minds in the north west.

Launched by the Manchester Law Society in 2010, the awards celebrate the best legal talent from across the region.

Categories cover all areas of law with organisation, team and individual awards and are open to individuals, firms, in-house teams and barristers chambers.
