**Celebrate with
Pride!**

Each year we host a Pride event on the day of Manchester Pride parade where we celebrate a city where LGBTQ+ people are free to live and love without prejudice. This year it will be held at the Radisson Edwardian's Peter Street Kitchen. The event starts with a welcome drink, then the guests are invited to watch the parade from an exclusive viewing platform on the hotel steps or from the picture windows of the restaurant.

As the parade goes by guests will be served a delicious afternoon tea. Guests are invited to continue the celebrations after the parade with a private area in the hotel's Library Champagne Bar with exclusive drinks offers. The last event had over 90 attendees from the Manchester legal, business and professional community. Our Pride Afternoon Tea raises funds for The Proud Trust, a charity supporting LGBTQ+ young people, selected by our ED&I Committee.
